How will this event raise much needed funds for my favourite brain cancer charity? You'll be able to support the brain tumour community twice over! Firstly by seeking sponsorship for your efforts, whatever the length of walk you opt to do. And secondly, by donating the miles you walk to IBTA, you will be contributing to IBTA's annual Walk Around the World for Brain Tumours.

This event is being organised by **brainstrust** on behalf of **Brain Tumour Research and its affiliated charities**. You will need to register with **brainstrust** to be able to participate in this event.
